Congratulations

A wedding is one of life's most memorable, most romantic and most exciting experiences, to be enjoyed and cherished forever. At the Golden Lion Hotel we are devoted to making sure your special day fulfils your dreams.

Whatever the detail, our team will be able to advise and guide you, to help you make it come true. Our expertise is your expertise.

Thank you for considering the Golden Lion as the setting for your celebrations.

Our reputation for discreet organisation, attention to detail and a serene ambience has been earned over many years, and we take pride in our ability to provide you with the highest standards of service, food, surroundings and entertainment. Ask us about anything that comes to mind, such as floral arrangements, access to rooms, musical accompaniments, dietary requirements ... we'll have a solution, tailored to suit you.

The Style

"The town boasts beautiful medieval, Georgian and Victorian architecture, including the splendid Castle".

Stirling and Stirlingshire are individualistic places, redolent of a fascinating historical past – this is the land where William Wallace and Robert the Bruce fought and won. The town boasts beautiful medieval, Georgian and Victorian architecture, including the splendid Castle, a little way up the hill from the Golden Lion.

The traditional backdrop is reflected in the spacious scale and elegant proportions of the Golden Lion, and in our belief in traditional, warm Scottish hospitality (as well as every modern comfort, of course).

The Hotel

"The Golden Lion is a venue of exceptional architecture, décor and atmosphere".

The joy and grace of a wedding deserve to be enhanced by equally elegant surroundings, and in the Golden Lion Hotel you'll find a venue exceptional in its architecture, décor and atmosphere.

The magnificent sandstone façade has graced the heart of Stirling for over two hundred years and through its pillared portals have walked royalty, the great and the good, as well as that most passionate of poets, Robert Burns. Our facilities include the vibrant Cronies Bar and restaurant, ideal for arrival drinks and canapés.

No two rooms are the same in shape and layout, reflecting the individuality of the Golden Lion's heritage. We have several rooms ideal for disabled guests and a lift serves all five floors.

The Golden Lion Hotel holds a full Wedding License, so your special day can be hosted completely in the one place if you wish. Our marble staircase, with its specially commissioned Burns artwork and quotations, provides a memorable backdrop for photographs, as does nearby Stirling Castle, the King's Knot gardens below the castle, and the grounds of Stirling University.

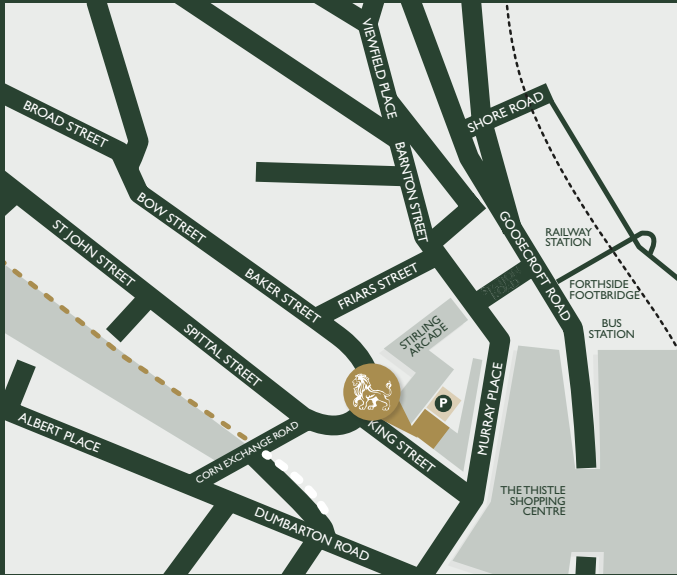

The Rooms

Whether you prefer the most private of ceremonies or the most lavish of celebrations, we have the room, the knowledge and the flexibility to help you transform your dreams into reality.

The breathtaking Regency Ballroom can accommodate up to 250 guests, and has its own dance floor and bar area.

"We have the room, the knowledge and the flexibility to help".

For smaller weddings we have the recently refurbished Wallace Room which can accommodate up to 60 day guests, together with the Younger Room which has its own dance floor and can look after up to 90 evening guests.

The Location

Set at the heart of Stirling's historic town centre, the Golden Lion couldn't be easier to reach, and is well served by modern road and rail links.

The Golden Lion Hotel has exclusive, secure, car parking spaces available free at the rear of the hotel - via the signposted archway on King Street - and is an easy walk from Stirling's main rail and bus stations. There is a taxi rank adjacent to the hotel.
